Sir,

Sub: Establishment - Cooperative Sub Registrar - under Fundamental Rule 127 for Bellary Central Cooperative Stores - Sanction requested.

The Bellary District Cooperative Central Stores has been entrusted with the purchase and stocking of the quotas of rice on behalf of all the primary stores in the District. Under the revised plan of distribution, the Central Stores has to remit to the Grain Purchase Officer in advance the value of the quotas of rice allotted to all the stores in the District, arrange for the timely purchase of rice and as far as possible, book the stocks direct to the centres of consumption such as Adoni, Hospet etc., It may also have to open godowns of its own in the interior to facilitate distribution among the primaries. In view of the heavy responsibility devolving on the Central Stores under this scheme, the Directors of the Central stores consider that they should have an officer of the grade of a Cooperative Sub Registrar to supervise the arrangements. They have accordingly resolved to apply for the loan of the services of a Cooperative Sub Registrar till 31-3-44.

The Deputy Registrar, Bellary, recommends the proposal. I consider it necessary that the Central Stores should have an efficient executive officer to work the scheme of rice distribution in the Bellary District. The directors and the Honorary Secretary of the stores may not find time to supervise the arrangements. To enable the stores to discharge its responsibilities to the satisfaction of all concerned, it is desirable that it should take the services of a Cooperative Sub Registrar.

I therefore recommend that Government may be pleased to sanction the employment of a Cooperative Sub Registrar under Fundamental Rule 127 from the date of appointment till 31-3-44 and to permit me to depute a suitable officer to work under the Bellary Cooperative Central Stores.

A

The cost of the Cooperative Sub Registrar including Leave Salary and Pensionary Contribution under Fundamental Rule 127 will be recovered from the stores. As it is urgently in need of the services of the officer, I solicit very early orders.

for Registrar.
